## Art.1 Brief description

NMBS sells 1 wagon with number 948/047. That material is currently parked at the premises of the workshop of Gent. The material has to be moved by truck.

The material is sold as is. NMBS cannot guarantee the weight mentioned on the technical data sheet.

## Art.2 Offer

We kindly ask you to remit your offer according to the enclosed submission form.

In order to estimate your best price, and the terms of transport, it is mandatory to come and inspect the machine on site.

Your offer must reach us on the **15<sup>th</sup> of January 2019** at 16h00 AT THE LATEST. Please send your offer to [quote.materials@b-rail.be](mailto:quote.materials@b-rail.be). Offers which reach us after this date will not be accepted.

## Art.3 Visitation

To visit the locomotive, please contact the person in charge of the rolling stock at the workshop:

Address: SNCB Technics – Workshop of Gent, Koningin Fabiolalaan 141, 9000 Gent  
Contact: Tim Mortier, tel 00 32 478/660370, mail: [TIM.MORTIER@B-RAIL.BE](mailto:TIM.MORTIER@B-RAIL.BE)

The safety shoes and yellow jacket are mandatory in all our workshops. Depending on the place you go, it is possible that you would be asked to wear safety glasses or hat as well. Thank you to verify this with the persons on the site.

## Art.4 Collection

The material has to be moved by truck. The transport and, if needed, the loading on a truck are fully at the charge of the buyer, starting from the current location. It is the responsibility of the buyer to inform his transporter about the terms of collection, this to avoid every discussion.

The collection of the material has to take place within 2 months after the signature of the contract.

In case the material is not purchased for re-use but as valuable waste, it is formally forbidden to disassemble it on site, except for rare exceptions to be determined in advance and in writing with the workshop. The purchaser is also required to provide to the workshop a certificate of destination of the waste.

For the planning of the collection of the material, please contact the persons in charge of the rolling stock at the workshop who are mentioned on the Art.3 of the present document, and this, as soon as possible after assignment of the material.

The safety and environmental rules in place in all the installations are to be respected scrupulously.
